Any other information

Now the weather has got much colder, please make sure your child comes to school with a named, thick coat and gloves.

We have now added an overview of all the dressing-up days for the school year to our website for each year group. To find these documents, please select 'key information'; 'curriculum' and then choose your child's year group's curriculum section on the right hand side of the screen.

Please make sure you log on to your SIMS Parent Pay account and check your child's data collection sheet. It is a safeguarding and statutory requirement for this to be completed. If you need any further help please contact the school office.

Please be reminded that we are a 'Nut Aware' school. We would politely ask that you refrain from putting any products with nuts in them into your child/children's lunchboxes

Thank you.
