

WALK TO SCHOOL WEEK 20 – 24 MAY 2024

It's that time of year again where we want to celebrate the health and social benefits of walking, scootering or cycling to school. Not only does it help to reduce congestion around the school but it also enables us to benefit from more exercise and time to talk.

To make this even more exciting, the Friends of Ad Astra PTA have organised mascots, including Mickey Mouse and Minnie Mouse, Spiderman, a dinosaur, Mario and a few surprises to walk to school with the children during Walk to School Week. Please meet us outside The Haymoor pub and we will leave there to walk to school, through the underpass, at 8:20am each day. Please note parents/carers must remain with their children during our walk to school.

You will find a sponsorship form in your child's book bag. This is an exciting and fun opportunity for the children to help us raise funds, while walking to school. For each day that your child walks to school, they will receive a sticker, which can be placed at the bottom of their sponsorship form. At the end of the week, please collect up your donations and return the form and money to school after the half term holiday.

Your support in fundraising this year will assist the FOAA PTA with their goal to purchase further school resources, contributions to trips, provide snacks for Sports Days and much more.

*Thank you very much.
FOAA*

We do not want any child to feel excluded – if your family are experiencing financial hardship, please do not feel obliged to donate and contact the school to discuss your child's participation in our events.
