15th September 2025

Brain bags

As your child settles into school, they can have the opportunity to take home one of our 'Brain Bags' for a period of time. These are a set of activities, stored in their own green rucksack, where each activity develops and encourages an important area of learning. The use of these resources, together with your child, will be time well spent together and enhance key skills that are being taught and developed at school, for example, storytelling, fine motor skills and knowledge of shape.

These resource packs must be kept very safe so that they can continue to be useful to learners across the class and in the future.

If you would like to opt-in to this opportunity, please click the link below and complete the short form to accept:

- the contents of the rucksack are school property and will therefore require replacing by parents if returned broken or missing,
- the contents of the rucksack should always be used with an adult present, and the school is not liable for any accidents that may occur when in use.

<https://forms.office.com/e/gMXW8YneL2>

The deadline for completing the form is Friday 19th September 2025.

We feel that these are a wonderful resource for learning at home and look forward to continuing to work in partnership with you.

Yours faithfully

Early Years Team
