Dear Parents/Carers,

URGENT PLEA

We are writing to you in the hope that some of you might be able to offer your help and support to our schools, which we urgently need.

As you know, our Parent Teacher Associations, have supported fundraising and events in the school for many years – providing and supporting the ‘extras’ to the school that your children love. Events like school discos, school fairs and Easter competitions are all laid on by our Parent Teacher Associations, and the schools would not be able to offer these events without a fantastic group of volunteers to lead the way.

Funding from these events helps to pay for school trips, book bags, leavers’ gifts, wet play games, playground resources and many, many more things our children enjoy. We simply could not provide the service that we do without them.

Over recent years, we have seen a very diminished number of parent volunteers, and the group has largely been led by a small number of excellent parents who have kept everything running.

All of our staff, and the children, would be extremely grateful if you would consider giving as much or as little time as you can to help support these Parent Teacher Associations in our four schools – so that our children can still enjoy these events and raise much needed funds. I appreciate that everyone is busy, so even if you can only help at one or two events, we would be so grateful. You can express your interest by completing the short form on following link: <https://forms.office.com/e/qjpAySMG90>

We thank you in advance of your support and really hope that we can continue this worthwhile and extremely important aspect of our school life. If you have any queries, please do not hesitate to call your child’s school office for more information.

With thanks and best wishes,

Mrs Kate Carter
