

Dear Parents and Carers,

*During our upcoming half term holiday, we will be opening the school's doors for one morning only to host our first ever **table-top sale event**.*

*If you are hoping to have a clear out before Christmas, make a bit of extra money before the festive season and support your child's school in the process, look no further! For just **£10**, you can book your own table (and surrounding floor space) to sell all of those toys and clothes the kids have grown out of, and those knick knacks that have been hanging around the house.*

Children are welcome, however there will be no creche so they will need to be supervised.

Every penny of your £10 table fee will go to Friends of Ad Astra PTA to enable more of the fantastic events and activities that your children enjoy as part of their school experience. Anything that you make at the sale is yours to keep. We'd be extremely grateful for any additional contributions you feel able to make, but there is no pressure to do so.

Date: Wednesday 29th October 2025

Time: Sellers arrive for 9am, sale is from 9.30am – 12.30pm

Venue: Ad Astra Infants School Hall

Tables will sell fast so please book now to secure your spot!
