After-school sports club survey

Dear Parents and Carers,

We are pleased to share that from Spring 2 (the week commencing Monday 23rd February 2026), we are hoping to expand our offer of after-school sports clubs for our children.

In the past, we have been keen to run a wider range of clubs; however, some have not been able to go ahead due to insufficient uptake. To help us plan more effectively and ensure that the clubs we offer reflect your children's interests, we would really value your input.

We have therefore created a short, anonymous survey, giving you the opportunity to indicate which after-school sports clubs your child would be interested in attending. Your responses will help us identify the most popular options and therefore allow us to organise clubs that are both engaging and well attended.

Once we have reviewed the responses and established which clubs are most in demand, we will be in touch with further information, including club details and how to sign up.

Please complete the survey using the link below by Friday January 16th 2026:
