Article 28: Children have a right to a primary education.

9th January 2026

Dear Parents/Carers,

I am delighted to inform you that all of our Year 1 and 2 children have now been allocated a DoodleMaths login. DoodleMaths is an app that is available on smartphones, tablets and laptops. It is personalised to each user and allows practice of the maths skills and knowledge that your child has learnt at school.

Starting this week, we will be using DoodleMaths for our weekly maths home learning. Each week, school staff will allocate home learning to be completed on DoodleMaths. To move towards a more eco-friendly approach, our weekly learning news and home learning document has been adapted and will be emailed to you each week rather than printed so please do look out for it each Friday.

Children are not limited at all on DoodleMaths to the tasks assigned each week for their home learning. They can complete practice and enjoy the features on Doodlemaths every day.

Please see the attached document for instructions on how to get set up with DoodleMaths at home. Your child's username and password will be sent home in their bookbag today and we will also add a sticker with your child's login information to their reading record.

If you have any questions then please do ask your child's teacher. The help/chat area of the website is also excellent and really helpful.

Thank you very much.

Mrs Rochelle Warner
 Computing Leader
