Article 28: Children have a right to a primary education.

10th February 2026

Dear Parent/Carer,

Safer Internet Day

Today is 'Safer Internet Day' and the children have taken part in an assembly recapping on how to stay safe online and also learning a bit about AI and how it can help us.

As part of your child's curriculum, and the development of their computer skills, we provide access to the internet during different lessons. We strongly believe that the use of the internet is hugely worthwhile and an essential tool for children as they grow up in the modern world.

As a parent/carer, you will know how beneficial the internet is to children - they use it to learn, play, socialise and express themselves. It is a highly creative place with amazing opportunities. However, you will also know the importance of staying safe when using the internet, which is one of the reasons for celebrating and focusing in on this day in school again this year.

Yours faithfully

Mrs R Warner
 E-Safety Champion
