Dear Parent/Carers,

I am writing to update you on drum lessons across our Trust.

Due to unforeseen circumstances, Mr Whatmore is having to take a break from his teaching for the foreseeable future.

I am aware that there have been several lessons missed over the last couple of weeks, which has been unavoidable. Mr Whatmore will be in touch as soon as he can regarding refunds for missed lessons that have already been paid for.

We appreciate your patience and understanding while we get everything organised and hope that Mr Whatmore will be able to resume lessons again before the end of the academic year.

Please contact me on music@teachpoole.com if you have any queries and we will, of course, keep you updated.

Yours sincerely

R Turner
