

## YEAR 1 TOPIC NEWSLETTER

# Spring Term 2026

### *Knights, Tales and Dragon Scales (5 weeks)*

*During this topic, the children will be immersed in the mysterious fantasy world of dragons, castles and knights. Our 'Sparkly Starter' for this topic will be going on a mystery hunt searching for clues to find a dragon egg. This will lead into our focus for literacy, where we will read the story 'George and the Dragon'. This is a wonderful story about a dragon who is scared of mice. We will use this story to help us write descriptions and a story of our own. Further to this, we will be learning and writing poems about dragons. In maths, we will be looking at length, height, weight and volume through lots of hands-on investigations. In design technology, we will be designing, making and evaluating our own pop up or moving part book cover, thinking about the materials, shapes and colours we should use to make an appealing product. As part of our topic, on **Wednesday 18<sup>th</sup> March**, we will be having a fantastic musician and storyteller visit our school; please look out for a separate letter with further details.*

### *Home Learning Activity*

*There are many activities that you could do to support our topic at home. Below are a few ideas to get you started:*

- You could visit your local library and explore other prince, princess or dragon stories that they may have for you to share together. You could take pictures of your child enjoying the stories and encourage them to write a sentence about which stories they liked and why.*
- You could encourage your child to make a dragon sculpture and write sentences about what it looks like or where it might live.*
- You could imagine that you have your very own dragon and write your own dragon story about your adventures together.*

*Please send in your child's home learning by **Friday 20<sup>th</sup> March** at the latest. We look forward to seeing your child's fantastic home learning projects. Each child will be able to share their home learning with their class and receive a certificate.*

### *PSHE & Religion and Worldviews*

*This term, our PSHE work will focus on 'Healthy Me'. Our PSHE sessions will be taught in circle times and assemblies. In Religion and Worldviews, the children will be learning about Palm Sunday and what most Christians believe about Easter.*

## PE – Gymnastics, Dance, Games

In gymnastics, we will be learning different rolling techniques and putting them into a sequence. In outdoor games, we follow a scheme called 'Get Set 4 PE' which is fully aligned to the National Curriculum and Ofsted requirements and focuses on the development of agility, balance and coordination and cooperative learning.

Penguins: Indoor PE – Wednesday Outdoor PE – Thursday

Dolphins: Indoor PE – Wednesday Outdoor PE – Thursday

Turtles: Indoor PE – Thursday Outdoor PE – Wednesday

Your child's PE bag will be sent home at the end of each half term to be washed. Please ensure that a full kit is provided, including shorts for gymnastics and dance and long tracksuit bottoms for when the children complete games outside. Any earrings must be removed on PE days and long hair must always be tied back.

## Supporting at Home

We are so incredibly proud of the children and the hard work that they are putting into their learning. We know that this is due to the partnership we have formed with you as parents and carers. Please continue to read with your child **at least 3 times a week** and continue to complete the weekly home learning challenges **now set on Doodle Maths**. If you're unsure about how to support your child with their learning at home, please speak to your child's class teacher, who will be more than willing to help and support you.

## Focus Author

This half term, our focus author is Tom Fletcher, who is the author famous for writing books such as *There's a Dragon in Your Book*, *Brain Freeze* and *The Creakers*.

## Calendar Dates

Wednesday 25<sup>th</sup> February – Fire Safety Talks

Friday 27<sup>th</sup> February – FOAA PTA Smarties Challenge ends

WC Monday 2<sup>nd</sup> March – Book Week
