Article 28: Children have a right to a primary education.

Friday 8th May 2026

Dear Parents/Carers,

Early Years – Circle of Life Celebration of Learning

We would like to invite you into school for our 'Circle of Life' celebration of learning event. At this event, your child will share their learning journal and writing book with you and, with your help, take part in some craft activities.

As well as learning about life cycles, the children have also been learning about where our food comes from; which foods are good for our bodies and how they can help look after the planet. Prior to this celebration of learning event, the children will be making a range of products which will be available at this event. Please bring some small change with you on the day if you wish to give a voluntary contribution. All money raised will go towards buying resources for Early Years to enhance our indoor and outdoor provision.

The celebration of learning will be held on Thursday 4th June in the school hall at the times listed below and will last for approximately half an hour:

Caterpillars: 9:00am

Froglots: 9:45am

Ducklings: 10:30am

We are very much looking forward to seeing you at this Celebration of Learning.

Yours faithfully,

Bridgman

Miss Bridgman
