Article 28: Children have a right to a primary education.

Monday 1st June 2026

Dear Parents and Carers,

### Sex and Relationship Education- Summer Term Lessons

At TEACH Trust, PSHE lessons build children's emotional literacy, self-esteem and knowledge of who they are and how they relate to each other and the world in a positive and healthy way.

This term, we are teaching children the correct terminology for body parts, including reproductive body parts. Children will learn these within the context of differences between boys' and girls' body parts, rather than explicitly learning about reproduction itself.

Children will also revisit the NSPCC's PANTS Rule, to reinforce which body parts are private.

This teaching is vitally important for our children as it gives them clear and accurate information and is a foundation for learning that will follow in later year groups. The lesson about reproductive body parts will be taught in the week commencing **Monday 29<sup>th</sup> June 2026**.

We hope you will be in agreement with us that this understanding is essential for children and that we are teaching information at an age-appropriate level. We do, as always, want to work in partnership with parents and carers and so wish to remind you of your right to withdraw your child from this aspect of the PSHE curriculum. If you

Haymoor Junior School

haymoor\_junior\_school

wish to do so, please write a letter to your child's teacher before Friday 26<sup>th</sup> June 2026 so that your child can work in another room.

If you have any further questions, please do not hesitate to contact myself or your child's class teacher.

Yours faithfully,

*RStocks*

Mrs Stocks
