'When I Grow Up' Aspirations Day

12th June 2026

Dear Parents/Carers,

During the second half of the summer term, on **Friday 3rd July 2026**, we will be holding our Aspirations Day focusing on what the children would like to be when they grow up and learning about the skills and knowledge that they may need in order to take on certain job roles. We would like the children to come to school dressed up in the typical attire of their chosen occupation. There will be an opportunity within the day for the children to see other children's costumes and to find out why their friends have chosen different jobs.

We are hoping to make this day memorable for the children, so we are asking for your help. If you have a career or skill which could inspire and enthuse our children and would be happy to be involved in either a short presentation or an interactive workshop, then we would love to hear from you. You may be able to offer a whole day, half a day or even an hour. We would be grateful to hear from as many of you as possible in order to give our children as wide a range of sectors to find out about as possible.

Please indicate your interest using the forms link below and we will then contact you with further details. We value any support you can give us in raising the aspirations of the children within TEACH Trust. Please can you complete the form by **Friday 19th June**.
