We can take cash/card payment at the event for £4 per child.

Biscuits and water/squash will be provided. **Please state any allergies when booking.**

Should your child own/require ear defenders please send them to the disco clearly labelled with your child's name.

Please queue outside of the school office at the allocated time for your child's year group where they will be greeted by the FOAA PTA and teachers. Collection is from the same location at the allocated finish time.

Parents are required to leave the disco, however we will have tea, coffee and biscuits available in Froglets class for those who would like to stay for the duration.

We look forward to seeing them in their party clothes ready to dance with their friends!
