Article 29: Children have the right to develop their personality and talents to the full.

3rd May 2023

Dear Parents / Carers,

Oxford Reading Buddy

Please be advised that we have made the very difficult decision to discontinue our subscription to Oxford Reading Buddy, from 1st May 2023. This is due to significant increases in the subscription fee. However, please can I remind you that your child does still have a login to Education City, which is an excellent online resource where children can practise a wide range of their skills including phonics. Also, as you well know, the best way to improve your child's reading is for them to read to an adult at home as much as possible and also be read to by an adult, which the children absolutely love.

Thank you very much.
