26<sup>th</sup> June 2023

Dear Parents/Carers,

### EYFS – Space Dome Visit

We are now well underway with our space topic 'To Infinity and Beyond!'. As a 'Fab Finish' for this topic, we have arranged for Simon Ould to bring his mobile Planetarium to school, to continue to help to bring our topic to life! The visit will take place on **Wednesday 5<sup>th</sup> July**.

The children will have a 45 minute session inside the Space Dome with their class, where they will be able to see the stars and the planets in our solar system. Images, movie clips and computer simulations are projected around the whole of the dome to create an immersive and inspirational learning experience. This is a fantastic opportunity for the children. It will really support their learning, and it is an experience that they will not forget!

Thanks to the ongoing support and contribution from the 'Friends of Ad Astra', we are able to offer this visit at a price of £2.80 per child. We are sure the children will thoroughly enjoy this experience and that it will help develop their understanding of space. Unfortunately, if we do not receive enough contributions, we will need to cancel this event.

Please could you acknowledge receipt of this letter by clicking on the consent check button on the schoolgateway and make your voluntary contribution of £2.80 by **Friday 30<sup>th</sup> June**.

We would like to take this opportunity to thank you for your continued support.

Yours faithfully  
Mr Dale Walters

EYFS Leader
