Concert photographs

Dear Parent/Carers,

Following on from a wonderful evening at our TEACH Trust summer concert, where the children just shone, I am writing again with the details of how you can purchase photographs from the event.

You will be able to purchase the photographs in several different formats and photos start from £5 each.

These will be available to view and purchase from Friday 14th July 2023 from the following website.

Password: teachconcert2023

The photographs are split into a selection of tabs to help locate any photos of your child.

Although the photographer has tried to take photos of all groups and individuals, he may not have been able to capture every single child.

All communications and orders will go through the above website. **Please do not contact the school office.**

Please feel free to contact me if you have any further enquiries.

Yours sincerely

R Turner
