Article 29: Children have the right to develop their personality and talents to the full

29th September 2023

Dear Parent/Carer,

AFTER SCHOOL CLUB PROVISION

School is not just a time for classroom learning but also for identifying passions and hobbies. At Ad Astra Infant School, we conduct a range of after school clubs, all of which are aimed at giving our children the best possible school experience.

By taking part in these clubs, the children are able to develop an array of transferable skills, including confidence, imagination, teamwork, coordination, focus, creativity, and determination. We are currently evaluating the club provision that we provide for our children after school and we would really appreciate your feedback.

The clubs that we currently offer are Buddy Club, Football, Gymnastics, Strictly Stage and Choir. We also have French Club, Dance Club and Story Box Club coming soon.

We would like to know which clubs you would be interested in us running in the future. Please complete this short form by clicking on this link: <https://forms.office.com/e/3pivjrxauP>.

Yours faithfully

Miranda Doyle
