Dear Parent(s)/Carer(s)

### **Transfer to Junior School - September 2024**

Your child is due to transfer to junior school in September 2024 and you have the right to express a preference for the school you would like your child to attend.

Please take the time to read this letter which gives useful information about applying for a school place. "The Parents Guide to School Admissions for 2024" is also available at:

[Parents Guide to Starting Junior or Middle School in September 2024 \(bcpcouncil.gov.uk\)](https://www.bcpCouncil.gov.uk/parents-guide-to-starting-junior-or-middle-school-in-september-2024)

The closing date is **Monday 15 January 2024**. If you do not get your application in on time you may stand less chance of getting your preferred school.

You must apply through the Local Authority where you live, even if your preferred school is in another area. If you live in Bournemouth, Christchurch or Poole you can apply [online](#) or ask for a paper application form from Children's Information Service on 01202 123222 or [cis@bcpcouncil.gov.uk](mailto:cis@bcpcouncil.gov.uk)

If you need to make any changes after you have submitted your application (e.g. change of address or preferences) you must notify the School Admissions Team in writing or by email. If you apply online we will not be aware of any changes you make once we have downloaded your application.

We can only accept one application for each child. Where parents are separated it is essential that agreement is reached by both parents concerning the school(s) named on the form. Please see page 15 of the Parents' Guide available at: [Parents Guide to Starting Junior or Middle School in September 2024 \(bcpcouncil.gov.uk\)](https://www.bcpCouncil.gov.uk/parents-guide-to-starting-junior-or-middle-school-in-september-2024)

Yours sincerely

**School Admissions Team**

**Change of address? Change of details? It's important to let us know.**

# It's time to apply for a Junior School Place

## Useful dates and information

- The closing date is **15 January 2024**. It's important to make sure you apply on time.
- Take your time selecting your school preferences. Places are **not** allocated on a first come first served basis. Make sure you apply by the closing date.
- Read the Parents/Carers Guide for 2024. You can find it online at: [Parents Guide to Starting Junior or Middle School in September 2024 \(bcpCouncil.gov.uk\)](https://www.bcpCouncil.gov.uk/parents-guide-to-starting-junior-or-middle-school-in-september-2024)
- Some schools receive too many applications for the number of places available. It is important to read the school admission policies to find out how places are allocated. Some admissions policies have changed and information on oversubscription can be found in the Parents Guide (link above).
- Contact the schools you are interested in and attend an open day.
- If you live within BCP Council you can apply online at: [bcp.cloud.servelec-synergy.com/Synergy/Parents/default.aspx](https://bcp.cloud.servelec-synergy.com/Synergy/Parents/default.aspx)
- You can also apply using a paper application form. These are available from BCP Council.
- If you live outside of BCP Council you must apply to the Local Authority where you live.
- If your child has an Education, Health and Care Plan, please speak to the SEND Inclusion Team to discuss your application. You can call on 01202 128880.
- Name up to 4 different schools on your application. Think carefully about the order; you should put your preferred school as your first preference.
- If you're thinking about applying for a church school you may need to complete a Supplementary Information Form (SIF) as well as your application form. You will need to check with the school to find out where to get their SIF and where to return it.
- If you apply on time you'll find out which school you have been offered on 16 April 2024. If you provide a valid email address on your application, you will receive an email containing a link to a copy of your offer letter. You can also check online if you applied this way.
- Applicants who do not provide a valid email address will have a letter posted to them.

You can contact us for information;
