### Adult conduct when collecting children from school

Dear parents / carers,

As you will already know, we are very proud to be a Gold Rights Respecting school and therefore teach our children, amongst others, they have the right to be safe and that the best interests of the child must be the top priority in all things that affect children.

Continuing with our Rights Respecting education, each year, our children create their own class charter which includes some key rights and also how we will all conduct ourselves to ensure that these rights are upheld. This year, our class charters include 'kind hands, feet and words.'

I would like to take this opportunity to remind everyone, our children are very much witness to and influenced by, what they see us do and say as we go about our business. We work very hard in school, to model conduct that is in keeping with our Rights Respecting education and our class charters to actively promote this in our children. We would very much appreciate it if you joined us in promoting this, especially when dropping off and picking up your children from school, where there are so many children around you.

Thank you very much, in advance, for your help with this.

*Clare Tantrum*
