Looking at puppet examples will help us to create design criteria.

Following the design criteria will help us plan, make and evaluate a successful puppet.

## Key Vocabulary

sewing	Making, joining or mending material with a needle and thread
stitch	A link made by drawing a thread through material by means of a needle (to join material together)
thread	A long, thin strand of material used for sewing
needle	A sharp, thin piece of metal that makes a hole in material
template	A shape that can be drawn and then cut around
eye of a needle	Where the thread goes through the needle (to attach)
felt	A type of fabric

You can use a template to cut around so that your fabric is the right size and shape.

Using the running stitch, you can attach pieces of fabric together.

# Big Bad Wolf - Science

Humans need: water, air and food to survive

It is also important for humans to:

- have shelter
- have a good sleep
- eat a balanced diet
- exercise for at least 30 minutes each day
- have good hygiene (keeping clean, healthy teeth, clean clothes)

- Humans have offspring that grow into adults.

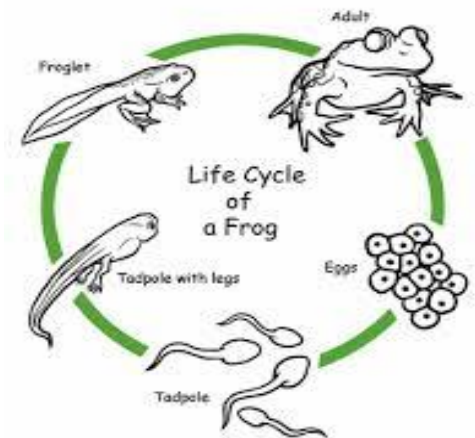

- Offspring change as they grow from a baby to an adult.
- This is called a lifecycle.

commitment	Another word for promise.

- Most Muslims make the commitment to pray 5 times a day.
- The times of prayer are spread throughout the day to maintain their connection to Allah.
- Generally, it will be sunrise, mid-afternoon, late afternoon, sunset and at night.

Many Muslims complete the ritual act of Wudu. This helps them prepare to talk to Allah.

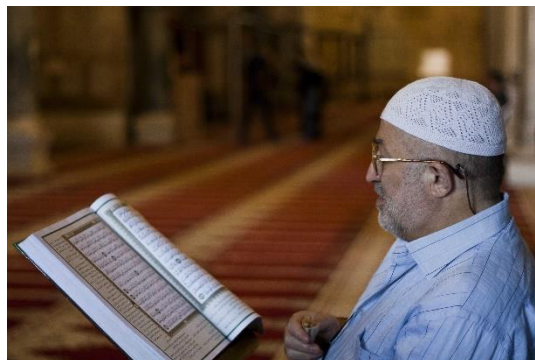

## Islam

### Theme:

Prayer at home

### Key Question:

Does praying at regular intervals help a Muslim in his/her everyday life?

To help them to learn about being a good Muslim, most will listen to, or read from the Qur'an. This is a very special and holy book.
